EUROPE-MOBILE

Bringing Europe into schools!

20 students | 11 schools | 1 bus | more than 3000 pupils

What is Europe-Mobile?

Europe-Mobile is a project for students and pupils. It aims to enhance students' commitment to and pupils' interest in European issues by making Europe a concrete and inspiring experience.

Each year, an international team of students from different EU member states is formed and trained over a week-long introductory seminar.

The students then spend two weeks running workshops on European issues, visiting one school a day by bus - the Europe-Mobile.

In 2018 Europe-Mobile will visit schools in Brandenburg (around Berlin) in Germany.

Who can apply?

The project is directed to students of all subject areas from all EU countries who have a strong interest in Europe and the European Union.

What language skills are needed?

Very good command of English; other languages are welcome.

Do I have to pay?

No! All participation costs will be covered, including accommodation and travel expenses.

When does the project take place?

September 04 - September 29, 2018 in Brandenburg (Germany)

Application deadline is June 17, 2018.
